

HOW YOU CAN HELP

The Center can help you make a difference in the life of a Rochester child, many of whom come from low-income homes. By making a tax-deductible contribution to the Center, you will help us to help them learn and become successful in their school and neighborhood.

The Center is a nonsectarian, nonprofit 501c3 organization. Please consider becoming a friend of the Notre Dame Learning Center, by sending your check or money order to:

What We Do

The Notre Dame Learning Center, Inc. began on March 1, 2004 as a ministry of the School Sisters of Notre Dame of the Atlantic Midwest Province. Our mission is to provide educational opportunities for city children so that they may reach their full potential as citizens and as students.

Located in the Charles Settlement House on the city's northwest

side, the Center is open to all city students in grades K-8. Students come from city public, private, Catholic, and charter schools.

The Program

One-to-one tutoring in Math and Language Arts is available during the school year and in the summer.

Students work on an academic area suggested by the parent, teacher, or as the result of diagnostic testing.

Services are provided in a safe, welcoming setting. Programs enhance lifelong learning skills and build self-confidence.

Tutoring

Tutors come from all walks of life, from

students to retirees, city residents and suburbanites. There is almost always a waiting list of

students, so more tutors are always needed. You need not have a background in education to tutor. The Center staff provides lesson plans and ongoing guidance. To sign up, or for more information, please call us at 254-5110, or email ndlc@frontiernet.net.
